The creation of BBQ has never been this good. Those different flavors that come together and complement each other to make you "star on the table" picture-perfect for everyone to enjoy. Grab this pack to hear that gorgoogoo master the grill like a pro, and have a healthy organic BBQ experience you'd never have to feel guilty about.

Just flip this package and you'll be able to see the quality of the meat.

Are you contemplating if this is the healthiest and most delicious find in the market, made from purely organic meat and carefully selected ingredients fresh from the garden, that, after cooking, you wanna pick up all the flavors and colors from the pan and savor the unemulated goodness of this meat "if the very last drop"? Then, indeed it is! You'll experience the blend of classic and modern style of the Filipino favorite Sweet Cured Pork and you'll never have to wonder anymore.
